When we talk about participation, everyone is included and we sometimes start with the humble ones.

Well, peace papers might be documents of major use like the essential papers for peace listed [here](#).

They might also be the way you [define peace](#) or any other document you produce or come upon (you are welcome to share !).

But they might also well be the material they are presented on. [Here is an example](#).

It all goes in circle. It all comes around.
